Training Descriptions

Certified Negotiator Program (CNP) for Teachers and ESPs

In this course, negotiators will acquire knowledge and skills to lead their locals to settlement.

Costing for ESP Settlements

This session will demonstrate an Excel spreadsheet that has been developed by Education Minnesota to be used during negotiations to determine the cost of proposals.

Costing for Teacher Settlements

This session will demonstrate an Excel spreadsheet that has been developed by Education Minnesota to be used during negotiations to determine the cost of proposals.

Legal Issues for ESPs

An Education Minnesota attorney will walk you through the Public Employment Labor Relations Act (PELRA), wage and hour laws, leave laws, anti-discrimination laws, district training obligations, and other applicable state and federal laws.

Member Rights Advocacy (MRA)

Develop the knowledge and skills to assist other members in understanding their rights and resolving conflicts using a variety of strategies.

New Presidents Training

Gain the knowledge and skills to have a successful term in office.

New(er) Presidents Training (Abbreviated)

Gain the knowledge and skills to have a successful term in office.

Roles & Responsibilities of the Building Representatives

This session defines the role of building reps, and provides ideas for them on how to connect with members, conduct short informational meetings and advocate on behalf of the members they represent.

So, You Want to be Strike Ready?

Learn what it takes to be strike ready, and how to move your local to a powerful union, ready for big wins!

Treasurer and Membership Contact Training

This session outlines how dues are assessed and collected as well as how to conduct regular roster reconciliation and review monthly billing statements.
